

Mission:

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Rick Scott
Governor

John H. Armstrong, MD, FACS
State Surgeon General & Secretary

Vision: To be the Healthiest State in the Nation

INTEROFFICE MEMORANDUM

DATE: March 24, 2014
TO: County Health Department Directors/Administrators
FROM: Celeste Philip, M.D., M.P.H., Deputy Secretary for Health 
SUBJECT: Immunization Assessments Ranking Report for 2013-2014

INFORMATION ONLY

The Division of Disease Control and Health Protection Immunization Section (Immunization Section) completed its annual report which combines the following previously published Immunization Section assessments:

- *Kindergarten and Seventh Grade Immunization Status Report 2013-2014*
- *Vaccine Accountability Report January 1, 2013 – December 31, 2013 (Cumulative)*
- *Assessment of County Health Department Immunization Coverage Levels (2014)*
- *Survey of Immunization Levels in Two-Year-Old Children (2013)*

County specific percentages are ranked highest to lowest, with a double underline distinguishing counties which meet the state goal for the individual assessment.

If you have questions regarding the previously published assessments included in this report, or would like a copy of the original assessment(s), please contact the Area (county specific) Immunization Section field staff (see enclosure).
